

DEREK PHUNG

PROCRASTINATOR

Just like my college apps, I often complete my assignments right before my deadline.

THINKER

In my attempt to become a person with little mistakes, I usually think before I act. Not my freshman year though.

GAMER

I love playing video games, especially my favorite, Doki Doki Literature Club.

SINGER

With my friends, I go to karaoke at least once a month. I love to sing along with friends and jam to music.
